- 1) Read these instructions carefully whether or not you plan to return to Appalachian next fall.
- 2) If you will receive a degree at the spring commencement but do not plan to return for further work next fall, disregard the remainder of these instructions. No registration packet has been prepared for you.
- 3) If you are graduating this spring but do plan to return next fall, you must obtain your packet from the Records Room on the date indicated in the schedule in item 4 below.
- 4) All other students will pick up pre-registration packets in the lobby of the administration building according to the following schedule:  
  
Hours: 8-12, 1-5  
Dates: Wednesday, May 8 - Hold-over Graduate Students and Seniors, Rising Seniors.  
  
Thursday, May 9 - Hold-over Juniors, Rising Juniors.  
  
Friday, May 10 - Hold-over Sophomores, Rising Sophomores,  
Hold-over Freshmen, Special Students.
- 5) Your packet will contain only your Master Card. On the outside of your packet, write the name of your departmental advisor. (Present Freshmen please note that this **does not** refer to your freshman advisor. See the chairman of the department in which you plan to major if you do not have a departmental advisor.) If you definitely will not return next fall, write "will not return" on the front of your packet (stating reasons if you wish) and return it to the person handing out packets.
- 6) Consult your departmental advisor for help in planning your schedule of classes for the fall. Use the trial schedule form on the back of your schedule. Make appropriate allowances for any courses which you plan to take this summer. Group sessions may be nounced in some departments. You should consult departmental bulletin boards for any such announcements.
- 7) No student may register for more than 19 hours without specific permission signed by both the Dean of the college and the Registrar.
- 8) After planning your course of study, go to the various departmental offices and obtain a course card for each section in which you wish to enroll. There will be nothing for you or the person handing out course cards to write or sign. Simply get the course card for the proper section and put it in your packet.
- 9) When you have collected all of your course cards, hand in your packet to your departmental advisor. Your packet should contain your master card and course cards, and the envelope should bear the name of your departmental advisor.
- 10) Next fall you will be permitted to make any necessary changes in your classes before completing your registration. Further instructions will be provided at that time.
